

[Precautions for use]

Please observe the following precautions when using the indoor playground at Honkaihatu Park.

Opening hours are from 9:00 am to 5:00 pm. (There may be temporary closures.)

Please read the precautions for each piece of play equipment carefully and do not leave your children unattended.

Please take sufficient care to avoid injuries and accidents, and safety management is the responsibility of the user.

Please do not run inside the building.

Please be considerate to others when playing on playground equipment, and return it to its original place when you are done playing.

When waiting for your child under the slide, please do not wait inside the yellow cushion.

Please take your trash and diapers with you.

Smoking is prohibited inside the park.

If the museum is full, admission may be restricted.

Please follow the instructions of the indoor playground staff.

We do not allow entry with animals.

We will refuse entry to anyone who is unwell or intoxicated.

You may take photos and videos, but please be careful not to disturb other users.

Drinks and snacks are only available in the "Watching Hall" on the second floor.

Please refrain from eating candy, gum, etc. while using the playground equipment.

Please keep your valuables with you at all times.

Please use the luggage storage area in front of the nursing room for your luggage.

Please note that we cannot take any responsibility for accidents, injuries, disputes between users, stained clothing, loss of personal belongings, etc., other than damage or malfunction of play equipment.
